To attain its CSR objectives in a professional manner and integrated manner, the company shall:

- Undertake proactive engagement with stakeholders to actively contribute to the socio-economic development of the periphery/community in which it operates.
- Using environment friendly and safe processes in production.
- Create a positive footprint within the society by creating inclusive and enabling infrastructure/environment for livable communities.
- Ensure environmental sustainability by adopting best ecological practices and encouraging conservation/judicious use of natural resources.
- Work towards mainstreaming the marginalized segments of the society by striving towards providing equal opportunities and making meaningful difference in their lives.
- Focus on educating the girl child and the underprivileged by providing appropriate infrastructure, and groom them as future value creators.
- Assist in skill development by providing direction and technical expertise to the vulnerable thereby empowering them towards a dignified life.
- Emphasize on providing basic nutrition/health care facilities with special focus on establishing health centers for the mother and child as well as the elderly.
- Facilitate water conservation by reducing water consumption at the plants and taking up rain water harvesting projects.
- Create a business value chain which is sustainable environmentally, socially and economically.
- Promote an inclusive work culture.
- Work towards generating awareness for creating public infrastructure that is barrier free, inclusive and enabling for all including the elderly and the disabled.
- Create positive awareness towards the need to adopt measures that lead towards reducing carbon footprints, dependence on fossil fuels and promote alternate energy approaches.
- Promoting the well being and development of employees and their families through an inspiring corporate culture that engenders good values.
- Employee participation is an important part of developing responsible citizenship. Our company encourages and motivates employees to spend time volunteering on issues of their interest.
- At the time of national crisis, as a company it is imperative for us to respond to emergency situations & disasters by providing timely help to affected victims and their families.
